

# Murmurations

Nature became very important to many people during the lockdowns.  
Did nature help you through this time? Did you explore local green spaces?

Did you notice the birds in your garden more and hear their songs?

We'd like you to share what that meant to you.

**WE NEED YOUR HELP TO CREATE A NEW ARTWORK**

Please use words and phrases, thoughts, feelings or names to capture your experiences of nature during lockdown.

We need audio contributions - Use between one to 10 words and record on a device using Voice Memo App and send to [priorymurmuration@gmail.com](mailto:priorymurmuration@gmail.com)

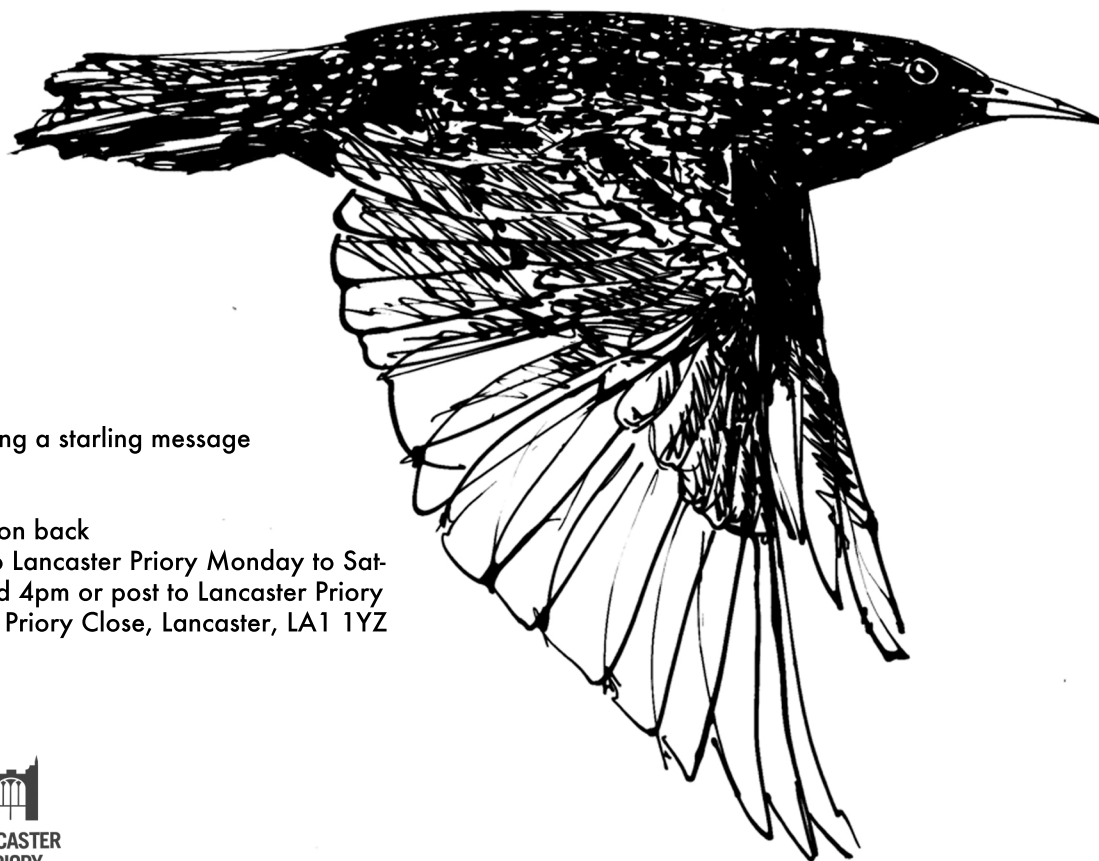

We need written contributions and many starlings - Please cut out the starling and write your words on the back of a starling and drop off at the priory (see address below)

Join in with pop up workshops where you can help Jenny McCabe to print a huge Murmuration. keep an eye out for dates and locations.

Audio & written contributions need to be back with us by Sunday 24th October
